SURIA SULTANA

FRONTEND WEB DEVELOPER

Dhaka-1219, Bangladesh

I am Passionate about crafting delightful user experiences and bringing designs to life with clean and efficient code. My goal is to create web experiences that not only meet but exceed user expectations. I'm well-versed in front-end frameworks such as React and I'm constantly honing my skills to embrace emerging technologies. I thrive in collaborative environments, valuing teamwork and open communication to bring projects to fruition.
